
picked man to achieve socialism in America. Once a year the Bilderbergs hold a secret meeting. They invite selected world leaders, politicians, bankers and the media to discuss the year's plans toward the formation of the New World Order. The Bilderbergs have told the invitees that they are the "enlightened ones", and together they are going to build a utopia, a New World Order. They have bedazzled the invitees with "lying wonders" and have told them that they are, one day, going to suddenly remove the "unenlightened" from the face of the earth. (This is a cover story for an event the Christians call "the Rapture". When Christ Himself does remove all true Christians from the earth, to spare them from the now coming 'Wrath of God' upon the earth).

This is why your government leaders will not impeach Obama. This is why the media keeps protecting him instead of outing him as the usurper he truly is. Because they no longer believe in the Constitution. They believe the lie they are being handed by the Bilderbergs and the "little grays". And no one may buy or sell except one who has the Mark, or the name of the beast, or the number of his name."*** (Rev. 13: 16-17)

That's pretty strong incentive to receive the mark! No one wants to starve to death, or worse, watch your children starve to death. What would you do under such pressure? To not take the mark means you will be hunted down and executed. This is the environment for those left behind after the rapture. That will be their choice – take the mark and be forever doomed to hell - don't take the mark and be hunted down and executed. Still think it's too hard to live as a Christian today? But there is more to this mark than meets the eye. Remember those two "women" on the Highway in Great Britain? It would appear that this implant, this mark gives you a form of immortality!
